Your Song by Elton John

It's a little bit funny, this feeling inside
I'm not one of those who can easily hide
Don't have much money, but boy if I did
I'd buy a big house where we both could live

If I were a sculptor, but then again, no. Or a
Man who makes potions in a traveling show
No it's not much, but it's the best I can do
My gift is my song and this one's for you

And you can tell e - verybody that this is your song
It may be quite simple but now that it's gone
I hope you don't mind, I hope you don't mind that I put down in words
How wonderful life is, now you're in the world.

I sat on the roof and kicked off the moss. Well a
Few of the verses, well they've got me quite cross
But the sun's been quite kind while I wrote this song
It's for people like you that keep it turned on

So excuse me forgetting, but these things I do
You see I've forgotten if they're green or they're blue
Anyway, the thing is, what I really mean
Yours are the sweetest eyes I've ever seen

And you can tell e - verybody that this is your song
It may be quite simple but now that it's gone
I hope you don't mind, I hope you don't mind that I put down in words
How wonderful life is, now you're in the world.

I hope you don't mind, I hope you don't mind that I put down in words
How wonderful life is, now you're in the world.

Plush by Stone Temple Pilots

And I feel that time's a wasted go, so where ya going to to-
morrow? And I see that these are lies to come Would you even care?

And I feel it...(it....it!)
Yeah I feel it...(it....it!)

Where ya going for to - morrow?
Where ya going with that mask I found?
And I feel, and I feel when the dogs begin to smell her...
Will she smell a- lone?

And I feel so much depends on the weather, so is it raining in your
bedroom? And I see, that these are eyes of disarray. Would you even care?

And I feel it...(it....it!)
And she feels it...(it....it!)

Where ya going for to - morrow?
Where ya going with that mask I found?
And I feel, and I feel when the dogs begin to smell her...
Will she smell a- lone?

When the dogs do find her. Got time, time, to wait for to-
-torrow... to find it, to find it, to find it.
When the dogs do find her. Got time, time, to wait for to-
-morrow... to find it, to find it, to find it.

Where ya going for to - morrow?
Where ya going with that mask I found?
And I feel, and I feel when the dogs begin to smell her...
Will she smell a- lone?

When the dogs do find her. Got time, time, to wait for to-
-torrow... to find it, to find it, to find it.
When the dogs do find her. Got time, time, to wait for to-
-morrow... to find it, to find it, to find it.

To find it!
To find it!
To find it!

Land of Confusion by Genesis

I must've dreamed a thousand dreams. I've been haunted by a million screams.
But I can hear the marching feet. They're moving into the street.
Now did you hear the news today? They say the danger's gone away!
But I can see the fires still alight. Ooh, burning into the night.

Too many men, too many people making too many problems and not much
love to go round. Can't you see this is a land of confusion?

This is the world we live in (ooh) and these are the hands we're given
Use them and let's start trying (ooh) to make it a place worth living

In.

Ooh Superman where are you now? When everything's gone wrong somehow
The men of steel, the men of power are losing control by the hour

This is the time. This is the place so we look to the future but there's not much
love to go round. Tell me why this is a land of conf-usion?

This is the world we live in (ooh) and these are the hands we're given
Use them and let's start trying (ooh) to make it a place worth living

I remember long a-
-go... oh when the sun was shining and the
stars were bright all through the night and the
sound of your laughter as I held you tight so long a-

I won't be coming home tonight. My generation will put it right
We're not just making promises that we know, we'll never keep.

Too many men, too many people making too many problems and not much
love to go round. Can't you see this is a land of confusion?

This is the world we live in (ooh) and these are the hands we're given
Use them and let's start trying (ooh) to make it a place worth living

In. This is the world we live in (ooh) and these are the hands we are given
Use them and let's start showin (ooh) oh just where our lives are going

to.

Careless Whisper by WHAM!

I feel so unsure as I take your hand and lead you to the dance floor
As the music dies, something in your eyes
Calls to mind a silver screen And all its sad good-byes

I'm never gonna dance again. Guilty feet have got no rhythm
Though it's easy to pretend, I know you're not a fool
Should've known better than to cheat a friend and
waste the chance that I'd been given
So I'm never gonna dance again the way I danced with you

Time can never mend the careless whispers of a good friend
To the heart and mind ignorance is kind
There's no comfort in the truth. Pain is all you'll find

I'm never gonna dance again. Guilty feet have got no rhythm
Though it's easy to pretend, I know you're not a fool
Should've known better than to cheat a friend and
waste the chance that I'd been given
So I'm never gonna dance again the way I danced with you

(forever without your love)

Tonight the music seems so loud. I wish that we could lose this crowd
Maybe it's better this way, We'd
hurt each other with the things we'd want to say. We
could have been so good together. We
could have lived this dance forever, but
now who's gonna dance with me? Please stay!

I'm never gonna dance again. Guilty feet have got no rhythm
Though it's easy to pretend, I know you're not a fool
Should've known better than to cheat a friend and
waste the chance that I'd been given
So I'm never gonna dance again the way I danced with you

(Now that you're gone) Now that you're gone.

(Now that you're gone)

Was what I did so wrong, so wrong
that you had to leave me alone?

Danny's Song by Kenny Loggins

People smile and tell me I'm the lucky one, and we've
just begun. Think I'm gonna have a son.

He will be like she and me, as free as a dove, con-
ceived in love. Sun is gonna shine above.

And even though we ain't got money, I'm so in love with ya honey, and
everything will bring a chain of lo - - - - ve.

And in the morning when I rise, you bring a tear of joy to my eyes, and
tell me eve - - - ry - - - thing is gonna be alright.

Seems as though a month ago I was beta chi,
never got high. Oh, I was a sorry guy.

And now a smile, a face, a girl that shares my name. Now I'm
through with the game. This boy will never be the same.

And even though we ain't got money, I'm so in love with ya honey, and
everything will bring a chain of lo - - - - ve.

And in the morning when I rise, you bring a tear of joy to my eyes, and
tell me eve - - - ry - - - thing is gonna be alright.

Pisces, virgo ri- - sing is a very good sign,
strong and kind And the little boy is mine.

Now I see a fam-ily where there once was none, now we've
just begun. Yeah, we're gonna fly to the sun.

And even though we ain't got money, I'm so in love with ya honey, and
everything will bring a chain of lo - - - - ve.

And in the morning when I rise, you bring a tear of joy to my eyes, and
tell me eve - - - ry - - - thing is gonna be alright.

Love the girl who holds the world in a paper cup.
drink it up. Love her and she'll bring you luck.

And if you find she helps your mind, buddy, take her home. Don't you
live alone, try to earn what lovers own.

And even though we ain't got money, I'm so in love with ya honey, and
everything will bring a chain of lo - - - - ve.

And in the morning when I rise, you bring a tear of joy to my eyes, and
tell me eve - - - ry - - - thing is gonna be alright.

And even though we ain't got money, I'm so in love with ya honey, and
everything will bring a chain of lo - - - - ve.

And in the morning when I rise, you bring a tear of joy to my eyes, and
tell me eve - - - ry - - - thing is gonna be alright.

Walking On The Moon by The Police

Giant steps are what you take, walking on the moon
I hope my legs don't break, walking on the moon
We could walk for-e - ver, walking on the moon
We could live to-ge - ther, walking on walking on the moon

Walking back from your house, walking on the moon
Walking back from your house, walking on the moon
Feet they hard-ly touch the ground, walking on the moon. My
feet dont hardly make no sound, walking on walking on the moon

Some may say: I'm wishing my days a-way
No way, And if it's the price I pay
Some say: To-morrow's a - nother day
You stay. I may as well play

Giant steps are what you take, walking on the moon
I hope my legs don't break, walking on the moon
We could walk for-e - ver, walking on the moon
We could be to-ge - ther, walking on walking on the moon

Some may say: I'm wishing my days a-way
No way, And if it's the price I pay
Some say: To-morrow's a - nother day
You stay. I may as well play

Keep it up, keep it up

Keep it up, keep it up

Saturday In The Park by Chicago

Saturday in the park. I think it was the Fourth of July
Saturday in the park. I think it was the Fourth of July
People dancing, people laughing. A man selling ice cream
Sin-ging Italian songs

Eicay varé, eisé nardé. Can you dig it?
Yes I can. And I've been
waiting such a long time for Saturday!

Another day in the park. I think it was the Fourth of July
Another day in the park. I think it was the Fourth of July
People talking, really smiling. A man playing guitar. And
Singing for us all.

Will you help him change the world? Can you dig it?
Yes I can. And I've been
waiting such a long time for today.

Slow motion riders fly the colors of the day. A
bronze man still can tell stories his own way.
Listen children all is not lost. All is not lost, oh no...

Forty days in the park, and every day's the Fourth of July.
Funny days in the park. Every day's the Fourth of July.
People reaching, people touching. A real celebration.
Wai-ting for us all (waiting for us all)

If we want it, really want it. Can you dig it?
Yes I can! And I've been
waiting such a long time For the day, hey hey.

Don't Look Back in Anger by Oasis

Slip inside the eye of your mind, don't you know you might
find a better place to play?
You said that you'd ne - ver been, but all the things that you've
seen slowly fade away.

So I start a revolution from my bed coz you
said the brains I had went to my head
Step outside, summertime's in bloom
Stand up beside the fireplace. Take that look from off your face
You ain't ever gonna burn my heart out. and

So, Sally can wait. She knows it's too late as we're walkin' on by. Her
soul slides a- way, but "Don't look back in anger," I heard you say.

Take me to the place where you go where nobody knows if it's night or day
Please don't put your life in the hands of a rock 'n' roll band who'll throw it all away

I'm gonna start a revolution from my bed coz you
said the brains I had went to my head
Step outside, summertime's in bloom
Stand up beside the fireplace. Take that look from off your face
You ain't ever gonna burn my heart out. and

So, Sally can wait. She knows it's too late as she's walkin' on by. My
soul slides a- way, but "Don't look back in anger," I heard you say.

At least not to - day.

Rainbow Connection from The Muppet Movie

Why are there so many songs about rainbows, and
what's on the o - - - ther side?

Rainbows are visions, but only ill - usions, and
Rainbows have nothing to hide.

So we've been told and some choose to believe it.
I know they're wrong; wait and see.

Some day we'll find it, the rainbow connection, the
lovers, the dreamers, and me.

Who said that every wish will be heard and answered when
wished on a mor - - ning star?

Some - bo - dy thought of it and some - one believed it.
Look what it's done so far.

What's so amazing and keeps us stargazing, and
what do we think we might see?

Some day we'll find it, the rainbow connection, the
lovers, the dreamers, and

Me. All of us under its spell, we
know that it's probably m - - - - agi - - c

Have you been half asleep and have you heard voices?

I've heard them calling my name.

Are these the sweet sounds that called the young sailors? the
voice might be one and the same.

I've heard it too ma - ny times to ignore it. It's
something that I'm supposed to be.

Someday we'll find it the rainbow connection, the
lovers, the dreamers and

Me. Daa-da-da-dee-dee-da-dum. Da

Take on Me by A-Ha

Talking away, I don't know what I'm to say, I'll
say it anyway: Today is a-nother day to find you
Shyin' away, I'll be coming for your love OK

Take on me (take on me).
Take me on (take on me).
I'll be gone in a day or
Twoooooooooooooooooooooo... So,

needless to say at odds and ends, but I feel
stumbling a-wake slowly learning that life is OK,
Say after me, it's no better to be safe than sorry

Take on me (take on me).
Take me on (take on me).
I'll be gone in a day or
Twoooooooooooooooooooooo...

Oh,
things that you say, yeah is it life or just to play my
Wor - ries a - way, you're all the things I've got to remember
You're shyin' away, I'll be coming for you anyway

Take on me (take on me).
Take me on (take on me).
I'll be gone in a day or
Take on me (take on me).
Take me on (take on me).
I'll be gone in a...

Ventura Highway by America

Chewing on a piece of grass, Walking down the ro - ad
Tell me, how long you gonna stay here, Joe?
Some people say this town don't look good in snow
You dont care, I know

Ventura highway in the sun - shine where the
days are longer, the nights are stronger than moonshine
You're gonna go I know-ow-ow-ow-ow coz the

free wind is blowin through your hair. And the
days surround your daylight there
Seasons crying no despair. Alli-
-gator lizards in the air, in the air.

Did di di dit... Did di di dit... Did di di dit...

Wishin on a falling star, waiting on the early train.
Sorry boy, but I've been hit by purple rain
Aw, come on, Joe, you can always change your name
Thanks a lot, son, just the same

Ventura highway in the sun - shine where the
days are longer, the nights are stronger than moonshine
You're gonna go I know-ow-ow-ow-ow coz the

free wind is blowin through your hair. And the
days surround your daylight there
Seasons crying no despair. Alli-
-gator lizards in the air, in the air.

The Rocketman's Great Gig In The Sky by Pink Floyd & Elton John

Great Gig in the Sky

Wooooah, woooah, aaah, aah, wooah, woooah, aahhh.
Wooooah, woooah, aaah, aah, wooah, woooah, aahhh.
Aaah... aaahh... aaaaahhhh...

Rocket Man

She packed my bags last night, pre-flight.
Zero hour, nine A.M.
And I'm gonna be hi- - - - igh as a kite by then
I miss the earth so much, I miss my wife.
It's lonely out in space.
On such a tiiiiiiime....less flight

And I think it's gonna be a long long
time, 'fore touchdown brings me 'round again to
find I'm not the man they think I am at
home, Oh no, no, no... I'm a
rocket man! Rocket man! Burnin' out his fuse out here alone!
Mars ain't the kind of place to raise your kids
In fact, it's cold as hell
And there's no-one there toooooo raise them... if you did
And all this science, I don't understand
It's just my job five days a week. A rocket
maa - aa - an. A rocket man!

And I think it's gonna be a long long
time, 'fore touchdown brings me 'round again to
find I'm not the man they think I am at
home, Oh no, no, no... I'm a
rocket man! Rocket man! Burnin' out his fuse out here alone!

And I think it's gonna be a long long
time, 'fore touchdown brings me 'round again to
find I'm not the man they think I am at
home, Oh no, no, no... I'm a
rocket man! Rocket man! Burnin' out his fuse out here alone!

And I think it's gonna be a long long time
And I think it's gonna be a long long time
And I think it's gonna be a long long time
And I think it's gonna be a long long time

Mary Jane's Last Dance by Tom Petty

She grew up in an Indiana town, had a
good lookin' momma who never was around. But she
grew up tall and she grew up right with them
Indiana boys on an Indiana night

Well she
moved down here at the age of 18. She
blew the boys away, it was more than they'd seen
I was introduced and we both started groovin'. She
said, "I dig you baby but I got to keep movin'"
...on, keep movin' on

Last dance with Mary Jane.
One more time to kill the pain
I feel summer creepin' in and I'm
tired of this town again

Well
I don't know but I've been told. You
never slow down, you ne - ver grow old. I'm
tired of screwing up, I'm tired of bein' down. I'm
tired of myself, I'm tired of this town.
Oh my my, oh, hell yes.
Honey put on that par - - - ty dress.
Buy me a drink, sing me a song,
Take me as I come 'cause I can't stay long.

Last dance with Mary Jane.
One more time to kill the pain
I feel summer creepin' in and I'm
tired of this town again

[Solo]

There's pigeons down in Market Square
She's standin' in her underwear
Lookin' down from a hotel room
Night - fall will be comin' soon
Oh my my, oh hell yes. You've
got to put on that party dress. It was
too cold to cry when I woke up alone. I
I hit my last number and walked to the road

Last dance with Mary Jane.
One more time to kill the pain
I feel summer creepin' in and I'm
tired of this town again

[Solo]

Breathe / Time / Breathe (Reprise) by Pink Floyd

Breathe, breathe in the air. Don't be afraid to care
Leave but don't leave me. Look around. Choose your own ground
Long you live and high you fly. Smiles you'll give and
tears you'll cry.
All you touch and all you see is all your life will ever be

Run, rabbit, run. Dig that hole, forget the sun,
And when at last the work is done
Don't sit down, it's time to dig another one
long you live and high you fly but only if you ride the tide
balanced on the biggest wave, you race toward an early grave.

Ticking away the moments that make up a dull day. You
fritter and waste the hours in an off-hand way
Kicking around on a piece of ground in your home town
Waiting for someone or something to show you the way

Tired of lying in the sunshine, stay at home to watch the rain
You are young and life is long, and there is time to kill today
And then one day you find ten years have got behind you
No one told you when to run. You missed the starting gun

And you
run and you run to catch up with the sun but it's sinking
Racing around to come up behind you again. The
sun is the same in a relative way, but you're older
Shorter of breath and one day closer to death

Every year is getting shorter, never seem to find the time
Plans that either come to naught or half a page of scribbled lines
Hanging, haunting quiet desperation is the English way The
time is gone, the song is over, thought I'd something more to say

Home, home again. I like to be here when I can
When I come home cold and tired, it's
good to warm my bones beside the fire
Far away, across the field, the tolling of the iron bell
Calls the faithful to their knees to hear the softly spoken magic
spell.

Wish You Were Here by Pink Floyd

[Solo]

So, so you think you can tell heaven from
hell, blue skies from pain. Can you tell a green
field from a cold steel rail? A smile from a
veil? Do you think you can tell? Did they get you to
trade your heroes for ghosts? Hot ashes for
trees? Hot air for a cool breeze? Cold comforts for
chains? Did you exchange a walk-on part in the
war for a lead role in a cage?

[Solo]

How I wish, how I wish you were here. We're just
two lost souls swimmin' in a fishbowl year after year.
Running over the same old ground,
but have we found the same old fears? Wish you were here.

[Solo]

How I wish, how I wish you were here. We're just
two lost souls swimmin' in a fishbowl year after year.
Running over the same old ground,
but have we found the same old fears? Wish you were here.

[Solo]

Barracuda by Heart

So this ain't the end - I saw you again today
I had to turn my heart away
Smile like the Sun - kisses for ev'ry one
and tales - it never fails!

You lying so low in the weeds
 I bet you gonna ambush me. You'd have me
down, down, down, down on my knees
Now wouldn't you, Barracuda?

Back over time when we were all trying for free
you met up with porpoise and me
No right, no wrong; selling a song - a name
 whisper game

And if the real thing don't do the trick
You better make up something quick
You gonna burn, burn, burn, burn it to the wick
Oooh, Barracuda?

"Sell me sell you" the porpoise said
Dive down deep, now. Save my head. You ...
I think that you got the blues too
All that night and all the next
Swam without looking back
Made for the western pools - silly, silly fools

And if the real thing don't do the trick
You better make up something quick
You gonna burn, burn, burn, burn it to the wick
Oooh, Barracuda?

Purple Rain by Prince

I never meant to cause you any sorrow
I never meant to cause you any pain
I only want one time to see you laughing. I
only want to see you laughing in the purple

Rain. Purple rain, purple rain. Purple rain, purple
Rain. Purple rain, purple rain. I
only want to see you bathing in the Purple

Rain. I never wanted to be your weekend lover
I only wanted to be some kind of friend. Eh
Baby I could never steal you from another
It's such a shame our friendship had to end.

Purple rain, purple rain. Purple rain, purple rain.
Purple rain, purple rain. I only want to see you underneath the Purple

Rain. Honey I know I know I know times are
Changin' It's time we all reach out for somethin' new.
That means you too.

You say you want a leader
But you can't seem to make up your mind. I think you better close it.
and let me guide you to the purple rain.

Purple rain, purple rain. Purple rain, purple
Rain. If you know what I'm singin' about, come
on and raise your hand. Purple rain, purple rain.
I only want to see you, only want to see you In the purple rain

Everybody Wants to Rule The World by Tears for Fears

Welcome to your life. There's no turning back.
Even while we sleep. We will find you

Acting on your best behavior
Turn your back on mother nature
Every-body wants to rule the world

It's my own design. It's my own remorse
Help me to decide. Help me make the...

most of free-dom and of pleasure
No - thing ev-er lasts for- e- ver
Every-body wants to rule the...

There's a room where the light won't find you
Holding hands while the walls come tumbling down
When they do I'll be right be - hind you

So glad we've almost made it.
So sad they had to fade it.
Every-body wants to rule the world.

[Solo]

I can't stand this indecision
Married with a lack of vision
Every-body wants to rule the...

Say that you'll never never never never need it
One head - line, why be - - lieve it
Everybody wants to rule the world.

[Solo]

All for freedom and for pleasure
Nothing ever lasts forever
Every-body wants to rule the world.

Gravity by John Mayer

Gravity is wor - king a - gainst me. And
gravity wants to bring me down. Oh, I'll
never know what makes this man with
all the love that his heart can stand
Dream of ways to throw it all a-way. Oh,

Gravity is wor - king a - gainst me. And
gravity wants to bring me down. Oh,
twice as much ain't twice as good, and
can't sustain like one half could. It's
wanting more that's gonna send me to my knees.

[SOLO]

twice as much ain't twice as good, and
can't sustain like one half could. It's
wanting more that's gonna send me to my knees.

Oh gravity, stay the hell away from me
Oh gravity has taken better men than me
(how can that be?)

Just keep me where the
light is. Just keep me where the
light is. *(repeat to end)*

I Can't Fight This Feeling Anymore by REO Speedwagon

I can't fight this feeling any longer and
yet I'm still afraid to let it flow What
started out as friendship has grown stro - nger. I only
wish I had the strength to let it show I
tell myself that I can't hold out forever. I
say there is no reason for my fear Coz
I feel so secure when we're together. You
give my life direction. You make everything so clear. And

Even as I wander, I'm keeping you in sight. You're a
candle in the window on a cold, dark winter's night. And
I'm getting closer than I ever thought I might

And I can't fight this feeling any - more
I've forgotten what I started fighting for
It's time to bring this ship into the shore, and
throw away the oars, forever
'Cause I can't fight this feeling any - more
I've forgotten what I started fighting for
And if I have to crawl up on the shore. Come
crashing through your door, Baby I can't fight this feeling anymore.

life has been such a whirlwind since I saw you
I've been running around in circles in my mind
And it always seems that I'm following you,
'Cause you take me to the places that alone I'd never find

Even as I wander, I'm keeping you in sight. You're a
candle in the window on a cold, dark winter's night. And
I'm getting closer than I ever thought I might

And I can't fight this feeling any - more
I've forgotten what I started fighting for
It's time to bring this ship in - to the shore, and
throw away the oars, forever
'Cause I can't fight this feeling any - more
I've forgotten what I started fighting for
And if I have to crawl up on the shore. Come
crashing through your door, Baby I can't fight this feeling anymore.

Madman Across the Water by The Elton John

I can
see very well, there's a
boat on the reef with a broken back and I can see it very
well. There's a

Joke and I know it very well, it's one of
those that I told you long ago. Take my
word I'm a madman don't you know. Once a

fool had a good part in the play. If it's
so would I still be here today? It's quite pe-
-culiar in a funny sort of way. They think it's
Funny every- thing I say.

. . . Get a load of him he's so insane. Better get your
coat dear it looks- like raiiiiiin
We'll come again next Thursday afternoon
The inlaws hope they'll see you very soon
But is it in your conscience that you're after
Another glimpse of the madman across the water.

ground's a long way down but I need more
Is the nightmare black or are the windows
painted. Will they come a-
gain next week can my mind really take it

We'll come again next Thursday afternoon
The inlaws hope they'll see you very soon
But is it in your conscience that you're after
Another glimpse of the madman across the water.

Comfortably Numb by Pink Floyd

Hello? (Hello? Hello?) Is there anybody in there? Just nod if you can
hear me. Is there a - ny - one at home?
Come on (come on) now. I hear you're fee - - ling down. Well,
I can ease your pain, Get you on your feet again
Relax (relax, relax). I'll need some information, first.
Just the basic facts. Now can you show me where it hurts?

There is no pain you are re - ced - ing.
A dis - tant ship smoke on the hori - zon
You are only coming through in waves. Your
lips move but I can't hear what you're saying. When
I was a child I had a fever. My
hands felt just like two balloons.
Now I've got that feeling once again. I can't explain, you would not un-
-derstand. This is not how I am.
I - - - - I have become comfortably numb.

Okay (Okay, Okay). Just a little pinprick. There'll be no more
Aa - aa - aa - aa - ah, but you may feel a little sick. Now, can you
stand up? (stand up, stand up) I do believe it's
working, good. That'll keep you
going through the show. Come on it's time to go

There is no pain you are re - ced - ing.
A dis - tant ship smoke on the hori - zon
You are only coming through in waves. Your
lips move but I can't hear what you're saying. When
I was a child I had a fever. My

Drops of Jupiter by Train

Now that she's back in the atmosphere, with
drops of Jupiter in her hair, hey, hey, hey, hey.

She

acts like summer and walks like rain, re-
-minds me that there's time to change, hey,
hey, hey, hey.

Since the return from her stay on the moon, she
listens like spring and she talks like June, hey,
hey, hey, hey. Hey, hey, hey, hey

Tell me did you sail across the
sun? Did you make it to the Milky
Way to see the lights all faded,
and that heaven is overrated?

Tell me, did you fall from a shooting
star? One without a permanent
Scar and did you miss me while you were
lookin for yourself out there?

Now that she's back from that soul vacation
Tracing her way through the constellation, hey, hey. She
checks out Mozart while she does tae-bo, re-
-minds me that there's room to grow, hey,
hey, hey, hey.

Now

that she's back in the atmosphere, I'm a-
-fraid that she might think of me as
plain ol' Jane told a story about a man who is
too afraid to fly so he never did land

Tell me did the wind sweep you off your
feet? Did you finally get the chance to
dance along the light of day,
and head back to the Milky Way, and
tell me, did Venus blow your
mind? Was it everything you wanted to

find, and did you miss me while you were
looking for yourself out there?

[SOLO]

Can you imagine no
love, pride, deep-fried chicken?
Your best friend always sticking
up for you, even when I know you're wrong? Can you imagine
no
first dance, freeze dried romance five-hour phone
conversation? The
best soy latte that you ever had, and me? But

Tell me did the wind sweep you off your
feet? Did you finally get the chance to
dance along the light of day,
and head back to the Milky Way, and
Tell me did you sail across the
sun? Did you make it to the Milky
Way to see the lights all faded,
and that heaven is overrated.
Tell me, did you fall from a shooting
star? One without a permanent
Scar? And did you miss me while you were
looking for yourself?

Na na na na na na, na na na na na, na na... and did you
finally get the chance to dance along the light of day
Na na na na na na, na na na and did you
fall from a shooting star? Fall from a shooting star?
Na na na na na na, na na na and are ya
lonely looking for yourself out there?

I Dreamed a Dream from Les Miserables

There was a time when men were kind, when their voices were soft
and their words inviting. There was a time when love was
Blind and the world was a song, and the song was exciting.
There was a time it all went wrong.

I dreamed a dream in times gone by
When hope was high and life worth living
I dreamed, that love would never die
I dreamed that God would be for - giving

Then I was young and un - afraid
And dreams were made and used and wasted
There was no ransom to be paid
No song un - sung, no wine un - tasted

But the tigers come at night
With their voices soft as thunder
As they tear your hope a - part
As they turn your dream to shame.

He slept a summer by my side
He filled my days with endless wonder
He took my childhood in his stride
But he was gone when autumn came

And still I dream he'll come to me
That we will live the years to - gether
But there are dreams that cannot be
And there are storms we cannot weather

I had a dream my life would be
So different from this hell I'm
Living. So different now from what it seemed
Now life has killed the dream I dreamed.

Get Together by The Youngbloods

Love is but the song we sing, and fear's the way we die.
You can make the mountains ring, or make the angels cry.
Know the dove is on the wing, And you need not know why.

C'mon people now, smile on your brother, every-
body get together, try and love one another right
now.

Some may come and some may go.. And we shall surely pass.
When the one who left us here, returns for us at last.
We are but a moment's sunlight, fading in the grass.

C'mon people now, smile on your brother, every-
body get together, try and love one another right
now.

C'mon people now, smile on your brother, every-
body get together, try and love one another right
now.

C'mon people now, smile on your brother, every-
body get together, try and love one another right
now.

If you hear the song I sing, You must understand.
(listen)
You hold the key to love and fear, All in your trembling hand.
Just one key unlocks them both, It's there at your command..

C'mon people now, smile on your brother, every-
body get together, try and love one another right
now.

C'mon people now, smile on your brother, every-
body get together, try and love one another right
now.

C'mon people now, smile on your brother, every-
body get together, try and love one another right
Now. Right now. Right now.

Dreams by Fleetwood Mac

Now here you go a - gain, you say you want your freedom;
Well, who am I to keep you down?
It's only right that you should play the way you feel it, but
listen carefully to the sound of your loneliness like a

Heartbeat drives you mad, in the stillness of remembering what you
Had, and what you lost, and what you
Had, and what you lost, oh,

Thunder on - ly happens when it's raining
Players on - ly love you when they're playing say,
Women they will come and they will go
When the rain washes you clean, you'll know, you'll

Now here I go again, I see the crystal visions;
I keep my vi - sions to my-self
It's only me who wants to wrap around your dreams and;
have you any dreams you'd like to sell? Dreams of loneliness like a

Heartbeat drives you mad, in the stillness of remembering what you
Had, and what you lost, and what you
Had, and what you lost, oh,

Thunder on - ly happens when it's raining
Players on - ly love you when they're playing say,
Women they will come and they will go
When the rain washes you clean, you'll know, oh

Thunder on - ly happens when it's raining
Players on - ly love you when they're playing say,
Women they will come and they will go
When the rain washes you clean, you'll know, you'll...

Know... Ooooooh, you'll know... you will
Know... Ooooooh, you'll know...

Flagpole Sitta by Harvey Danger

I had visions, I was in them, I was looking into the
mirror to see a little bit
clearer, the rottenness and evil in me
Fingertips have memories mine can't forget the curves of your
body, and when I feel a bit
naughty I run it up the flagpole and see who salutes, but no one ever does.
I'm not sick but I'm not well, and I'm so hot, cause I'm in hell

Been around the world and found that only stupid people are
breeding... cretins cloning and
Feeding, and I don't even own a TV.
Put me in the hos - pit - al for nerves and then they had to com-
-mit me. You told them all I was
crazy, they cut off my legs now
I'm an am - - - - pu - - - tee, god damn you

I'm not sick but I'm not well, and I'm so hot, cause I'm in hell
I'm not sick but I'm not well, and it's a sin, to live so well

I--- I wanna publish 'zines, and rage against ma-
chines I wanna pierce my tongue, it doesn't hurt, it feels
Fine. The trivial sublime, I'd like to turn off
time and kill my mind, you kill my
mind... my mind...

Paranoia, paranoia, every - body's comin' to
get me. Just say you never
met me, I'm runnin underground with the
moles (digging holes)
Hear the voices in my head, I swear to god it sounds like they're
Snor - ing but if you're bored then you're
Bor - ing the ag - o - ny and the
i - - ro - - ny they're kill - - ing me, woah!

I'm not sick but I'm not well, and I'm so hot, cause I'm in hell
I'm not sick but I'm not well, and it's a sin, to live so well

I'm Yours by Jason Mraz

Well,
you done done me and you bet I felt it. I
tried to be chill, but you're so hot that I melted. I
fell right through the cracks, and now I'm
trying to get back. Before the
cool done run out, I'll be giving it my bestest, and
nothing's gonna stop me but div - ine intervention. I
rec - kon, it's ag - ain my turn to
win some or learn some. But

I won't hes - i - tate no more, no
more. It can - not wait, I'm yours.

Ooo - oooh, yea - ea - eah, yea - eah.

Well, open up your mind and see like me,
Open up your plans and damn you're free.
Look into your heart and you'll find
love, love, love, love
Listen to the music of the moment, people dance and
Sing. We're just one big fam - i -
- ly, and it's our God-forsaken right to be
loved, loved, loved, loved, loooved. So

I won't hes - i - tate no more, no
more. It can - not wait, I'm sure there's no
need to comp - li - cate, our time is
short. This is our fate, I'm yours.

Do da do do doo, doo da doo da
Doo... Do you want to come on, scooch on over closer
dear, and I will nibble your eeaarr... I've been spendin'

way too long checking my tongue in the mirror, and
bending over backwards just to try to see it clearer but my
breath fogged up the glass, and so I
drew a new face and I laughed. I

guess what I'll be saying is there ain't no better reason to
rid yourself of vanities and just go with the seasons. It's
what we aim to do. Our name is our virtue, so

I won't hes - - - it -
Well, open up your mind and see like me,

ate no more, no more.
Open up your plans and damn you're free.

It can - - - not wait,
Look into your heart and you'll find that

I'm yours. There's no
the sky is yours, so

need to comp - - - - li - - - -
please don't, please don't, please don't, there's no

Ne - - ed to comp - li - cate, coz our

Losing My Religion by R.E.M.

Oo - oo - oo - oo -oh

life is bigger. It's bigger than you and you are
Not me. The lengths that I will go to. The distance in your
Eyes. Oh no, I 've said too
much. I set it up. That's me in the

Corner. That's me in the spotlight losing my re-
-ligion. Trying to keep up with you. And I
don't know if I can do it. Oh no, I've said too
much. I haven't said e - - -nough. I thought that I heard you
Laughing. I thought that I heard you sing. I
think I thought I saw you try. Every

whisper of every waking hour I'm choosing my con-
-fessions, Trying to keep an eye on you. Like a
hurt lost and blinded fool, fool Oh no, I've said too
much. I set it up. Consider

this, consider this: The hint of a century. Consider
this: the slip that brought me to my knees failed.
What if all these fantasies come flailing around? Now I've
said too much. I thought that I heard you

Laughing. I thought that I heard you sing. I
think I thought I saw you try. But
that was just a dream. That was just a dream. That's me in the

corner. That's me in the spotlight losing my re-
-ligion. Trying to keep up with you. And I
don't know if I can do it. Oh no, I've said too
much. I haven't said e - - -nough. I thought that I heard you
Laughing. I thought that I heard you sing. I
think I thought I saw you try. But
that was just a dream. Try, cry, why, try.
That was just a dream, just a dream, just a dream, dream.

If You Could Only See by Tonic

If you could only
see the way she loves me then maybe you would understand why I feel this
way
about our love And what I must do If you could only
See how blue her eyes can be when she says when she says she loves
me.

Well you got your reasons And you got your lies
And you got your manipulations They cut me down to size

Sayin you love but you don't. You give your love but you won't.
If you could only
see the way she loves me then maybe you would understand why I feel this
way
about our love And what I must do If you could only
See how blue her eyes can be when she says when she says she loves
me.

Seems the road less traveled Shows happiness unraveled
And you got to take a little dirt To keep what you
love, thats what you gotta do

Sayin you love but you don't. You give your love but you won't.
You're stretching out your arms to something that's just not there
Sayin' you love where you stand. You give your heart when you can.

If you could only
see the way she loves me then maybe you would understand why I feel this
way about our love And what I must do If you could only
See how blue her eyes can be when she says when she says she loves me.

Sayin you love but you don't. You give your love but you won't.
(she won't)
Sayin you love where you stand, you give your heart when you can.

If you could only
see the way she loves me then maybe you would understand why I feel this
way about our love And what I must do If you could only
See how blue her eyes can be when she says when she says she loves me.

Black Velvet by Alannah Myles

Mississippi in the middle of a dry spell
Jimmy Rodgers on the Victrola up high
Mama's dancin' with baby on her shoulder
The sun is settin' like molasses in the sky
The boy could sing, knew how to move ev'rything
Always wanting more, he'd leave you longing for

Black velvet and that little boy smile
Black velvet with that slow southern style
A new religion that'll bring her to your knees
Black velvet if you please

Up in Memphis the music's like a heat wave
White Lightnin' bound to drive you wild
Mama's baby's in the heart of ev'ry school girl
Love Me Tender leaves 'em cryin' in the aisle
The way he moved, it was a sin, so sweet and true
Always wanting more, he'd leave you longing for

Black velvet and that little boy smile
Black velvet with that slow southern style
A new religion that'll bring her to your knees
Black velvet if you please

Ev'ry word of ev'ry song that he sang was for you
In a flash he was gone, it happened so soon
What could you do?

[Solo]

Black velvet and that little boy smile
Black velvet with that slow southern style
A new religion that'll bring her to your knees
Black velvet. Black velvet and that little boy smile
Black velvet with that slow southern style
A new religion that'll bring her to your knees
Black velvet, if you please.

Someone Like You by Adele

I heard that you're settled down. That you
found a girl and you're married now
I heard that your dreams came true. Guess she
gave you things I didn't give to you
Old friend, why are you so shy? Ain't like
you to hold back or hide from the light

I hate to turn up out of the blue uninvited
But I couldn't stay away, I couldn't fight it
I'd hoped you'd see my face and that you'd be reminded
That for me it isn't o - ver

Never mind, I'll find someone like you - - - - ou, I wish
nothing but the best for you two - - - - oo. Don't for-
-get me, I beg, I'll remember you said sometimes it
lasts in love but sometimes it hurts instea - ead. Sometimes it
lasts in love but sometimes it hurts instea - ead.

You know how the time flies Only
yesterday was the time of our lives. We were
born and raised in a summer haze Bound
by the surprise of our glory days

I hate to turn up out of the blue uninvited
But I couldn't stay away, I couldn't fight it
I'd hoped you'd see my face and that you'd be reminded
That for me it isn't o - ver

Never mind, I'll find someone like you - - - - ou, I wish
nothing but the best for you two - - - - oo. Don't for-
-get me, I beg, I'll remember you said sometimes it
lasts in love but sometimes it hurts instea - ead.

Nothing compares, no worries or cares. Re-
grets and mistakes, they are memories made
Who would have known how bittersweet this would taste?

Never mind, I'll find someone like you - - - - ou, I wish
nothing but the best for you two - - - - oo. Don't for-
-get me, I beg, I'll remember you said sometimes it
lasts in love but sometimes it hurts instea - ead...

Never mind, I'll find someone like you - - - - ou, I wish
nothing but the best for you two - - - - oo. Don't for-
-get me, I beg, I'll remember you said sometimes it
lasts in love but sometimes it hurts instea - ead. Sometimes it
lasts in love but sometimes it hurts instea - ead...

Crazy by Gnarl Barkley

I remember when, I remember, I remember when I lost my
Mind. There was something so pleasant about that place.
Even your emotions had an echo in so much
Space.

And when you're out there, without care, yeah, I was out of
Touch, but it wasn't because I didn't know enough;
I just knew too
much. Does that make me

Crazy? Does that make me crazy? Does that make me crazy? Possibly.

And I hope that you are having the time of your
Life, but think twice, that's my only advice.

Come on now, who do you, who do you, who do you, who do you think you
Are? Ha ha ha bless your soul.
You really think you're in con-
trol. Well, I think you're

Crazy! I think you're crazy! I think you're crazy, Just like me.

My heroes had the heart to lose their lives out on a
Limb, and all I re-
-member is thinking, I wanna be like
them.

Ever since I was little, ever since I was little it looked like
Fun, And it's no coincidence I've come,
and I can die when I'm
done. Maybe I'm

Crazy. Maybe you're crazy. Maybe we're crazy. Probably.
